

Typical Applications Chart

| Applications | OCAM ² K | OCAM ² S | C-RED One | C-RED 2 |
|--|---------------------|---------------------|-----------|---------|
| Adaptive Optics | • | • | • | • |
| Astronomical Observations | | | • | • |
| Astronomical observations with Interferometers | • | | • | |
| Speckle Interferometry | • | | • | |
| Space Debris Tracking | • | • | • | • |
| Fringe Tracking | • | | • | |
| Secure Laser Communications | • | • | • | • |
| Long range surveillance and Tracking | • | • | • | • |
| Fluorescence Microscopy | • | • | • | • |
| Cellular Microscopy | | | | • |
| Raman Spectroscopy | | | • | • |
| Hyperspectral Imaging | | | • | • |
| OCT Imaging | | | • | • |
| Spectroscopy | | | | • |
| Semiconductor Inspection | | | • | • |
| Solar Cells Inspection | | | | • |
| Art Inspection | | | | • |
| Quality control | | | | • |
| Production control | | | | • |
| Laser Pulsed Applications | | • | | • |
